Air Brakes Test - CDL TEST ANSWERS

The action makes you feel comfortable with the test environment, it puts your brain to work recalling the information and sets you on the path for passing your MTO air brake test on the first try. Run Yourself Through A Step-by-Step Process. If you don't have access to a vehicle with air brakes, that is fine.

MTO Air Brake Test 01 | Free Online Test | APNATORONTO

Parking Brakes: After you build the air pressure back to "normal" range, the brakes are still set from the air brake test so all you need to do is put the truck in a low gear and attempt to pull forward. Use light pressure. Do not release the clutch fully or you could damage the drive train. A slight "tug" against the brakes is what you want.
