The official Chinese translation is "bide our time and build up our capabilities." Here, too, the notion is don't attract attention from the Americans. A young Chinese scholar put this in a rather fascinating article a few years ago when he said about China's long-term strategic intentions, he said, our big dangerous period is not the present ...

CHINA'S STRATEGIC INTENTIONS AND GOALS

In a previous post, I detailed a number of recent incidents that have occurred involving Indonesia in the South China Sea, pointing out that these incidents have occurred out to the furthest extent of China's 'nine dash line' map. While I didn't address the larger questions of China's intentions

and strategy in the South China Sea in that post (primarily for reasons of space ...
