The Berlitz method presents a conversational style of teaching based on listening and speaking. It was introduced in 1878 and over time it has become the standard for language learning. The paper gives an overview of the results of the Berlitz method application conducted with groups of IT students at Faculty of Technical Sciences

Application of Berlitz method in teaching technical English

The majority of our lessons use Berlitz-created materials, which include Instructor Manuals containing lesson plans with step-by-step teaching instructions. However, since a learner-centered approach is a key component of our teaching philosophy we encourage our instructors to use the instructor manuals as a jumping-off point to customize each lesson to match the learning goals of our customers.
