The test bank includes approximately 2,500 questions of various types and difficulties. For the first time in this 8th edition, there are questions that are based on illustrations. These sorts of questions are critical in a field such as biopsychology and this is something unique to the Pinel test bank.

Pinel, Biopsychology | Pearson

Pinel clearly presents the fundamentals Biopsychology and makes the topics personally and socially relevant to the reader. The defining feature of Biopsychology is its unique combination of biopsychological science and personal, reader-oriented discourse. Rather than introducing biopsychology in the usual textbook fashion, it interweaves the fundamentals of the field with clinical case studies, social issues, personal implications, and humorous anecdotes.
