Embers of Love., first book in the Striking a Match series. VERY GOOD! Unusual name for a series. Enjoyed getting to know the main characters, they all have alot going for them. I love the Mother of Deborah, I kept expecting a little romance between her and her brother-in-law. Maybe in the next sequel, hopefully.

Embers of Love I never write reviews. Ever. This book is a cut above everything I have read. The people and situations are real, as are the emotions. This book is well worth the time to read it, and the time to review it. As I live in Lowell Massachusetts I am off to a book store to find what this author has written about the Lowell Mill Girls.

This review was written for Embers of Love - eBook Striking a Match #1. As the story starts out, a bride bent on marrying into a loveless relationship to prove herself to her mother is quite a different perspective for this era. Most girls dreamed of love but never expected to find it due to arranged marriage within her "social" circle.
