the album *Zombie*, a scathing attack on Nigerian soldiers using the zombie metaphor to describe the methods of the Nigerian military [citation needed]. The album was a smash hit and infuriated the government, setting off a vicious attack against the Kalakuta Republic, during which one thousand soldiers attacked the commune.

General Comment One of Fela's most famous and incendiary songs. Totally kick-ass. My favorite moment just might be the cheeky army reveille tucked into the end. Here are the liner notes straight from my copy of the album: Fela in his life time was never "a good bedfellow" of the military institution. As a political activist, he believed the army should
