1969 - A merger with the American Machine Building and Steel Company (AMF), funds necessary for further development appear. However, this does not save Harley Davidson from a sharp drop in sales due to increased competition due to increased imports in the 1960s. Then the leading managers of the company, including the founder's grandson, designer Willy Davidson, buys the firm from AMF for more ...

## **Harley Davidson Wla Motorcycles for sale**

Harley-Davidson began producing limited numbers of the WLA for the US Army in 1940. Based on the then current WL model, a 45 cu in (738 cc) flat-head, solo-seat v-twin, the suffix "A" means Army. The "W" series had been developed from the "R" series, produced between 1932 and 1936, and "L" signifies high-compression.
