Chopin belongs to us, says Poland

Chopin himself called the melody in his third étude one of his most beautiful. The theme has been set to words many times and is the basis of both the song “Survival” by Muse and a tango called “La melodia del corazon.”None of the nicknames for this études were coined by the composer himself, but some of the colloquial ones just stuck, including “Tristesse” and “L'Adieu.”

Your Guide to Chopin's Études | WFMT

Chopin’s heart was transferred back to Poland by his sister, Ludwika. She used a jar for transportation, which was most likely full of Cognac. She somehow managed to get through customs and officials, and she brought Chopin’s heart in the Holy Church of Warsaw. Today there is a small monument in the church and Chopin’s heart is still there.
