Jet Ski is the brand name of a personal water craft (PWC) manufactured by Kawasaki, a Japanese company. The term is often used generically to refer to any type of personal watercraft used mainly for recreation, and it is also used as a verb to describe the use of any type of PWC.. A runabout style PWC typically carries 1-3 people seated in a configuration like a typical bicycle or motorcycle.

Jet Ski - Wikipedia

The squish is modified(corrects factory flaw causing detonation), also has decompression valve installed, which make starting this bike a breeze. Bike also has vforce 2 custom reedcage done by adam millar, with machined aluminum built in spacer, which also prevents reed screws from backing out.
