A compelling look at animal welfare and factory farming in the United States from Mercy For Animals, the leading international force in preventing cruelty to farmed animals and promoting compassionate food choices and policies.

Mercy for Animals: One Man's Quest to Inspire Compassion ...

Mercy For Animals examines how our country moved from a network of small local farms with more than 50 percent of Americans involved in agriculture to a massive coast-to-coast industrial complex controlled by a mere 1 percent of our population—and the consequences of this drastic change for animals as well as our global and local environments. We also learn how MFA strives to protect farmed animals in behind-the-scenes negotiations with companies like Nestlé and other brand names ...

sustainable for our planet. Mercy For Animals believes that world is possible. In fact, it is inevitable if we work together to elevate humanity to its fullest potential.

About Mercy For Animals - Mercy For Animals

Mercy For Animals exposes the horrors of the modern day farm industry, the brave undercover investigators fighting on behalf of animals and explains how you, as an everyday person can make a difference. I was moved by the stories of Pete and Liz, who risked everything to document abuses being committed to farmed animals.

The COVID-19 crisis highlights how broken our food system really is. For years, Big Ag has been pushing for faster and faster line speeds. Now, during the pandemic, they are asking for waivers that will allow them to increase line speeds even more, placing profits over the well-being of animals, workers, and public health.

Mercy For Animals

Mercy For Animals is one of the most important books of our day, revealing the horrific brutality of the sick and inhumane animal industries. Our species has been indoctrinated from birth to eat innocent, intelligent, sensitive, conscious creatures.
