Metric & Multistandard Components Corp

<http://www.metricmcc.com/>. Metric & Multistandard is a wholesale distributor of Metric Fasteners and industrial components. The oldest and most experienced “metric only” distributor in the USA, more than 98% of our sales are “business to business” – both at the resale and end-user level. We do not have an outside sales force; rather we build our business by offering outstanding customer service, immediate product availability and superior technical knowledge and support.
