Military Uniform Supply - Military Uniform Supply, Inc.

There is a multitude of military uniforms across the five branches and they all serve a purpose. Uniforms are (intended) to be functional and cater to the specific career fields that exist in each military branch. However, when it comes to appearance — especially dress uniforms — there are some that...

Dress uniforms from every military branch, ranked ...

The uniforms of the British Army currently exist in twelve categories ranging from ceremonial uniforms to combat dress (with full dress uniform and frock coats listed in addition). Uniforms in the British Army are specific to the regiment (or corps) to which a soldier belongs. Full dress presents the most differentiation between units, and there are fewer regimental distinctions between ...

Uniforms of the British Army - Wikipedia

Army units participating in the 1953 Coronation wore the new uniform as a temporary issue. For most regiments and corps No. 1 dress consists of a dark blue tunic and trousers or overalls (or skirt) with a coloured peaked cap. Females should wear normal dark coloured tights when needed.

Great Falls City manager: Airmen of color don't always ...

The basic color for the coat, gray, comes from the standard American state militia color cadet gray (which itself was derived from the earlier, medium gray fatigue uniform). Cadet gray came to embody the color of the "sovereign state" uniform color versus the dark blue of the "national government."
