The Art Of City Sketching

Book Description. The Art of City Sketching: A Field Manual guides you through the laborious and sometimes complex process of sketching what you see in the built environment so that you can learn to draw what you imagine.

The Art of City Sketching: A Field Manual - 1st Edition ...

The Art of City Sketching will provide you with challenging exercises that teach you the basics of line drawing techniques to advanced perspective projections and analytiques. I recommend buying this manual for drawing and spending 15 minutes a day challenging yourself to drawing the world around you. In no time, sketching will become a form of meditation, relaxation and expressionism.
