The Power of Market Fundamentalism: Karl Polanyi's Critique. Fred Block, Margaret R. Somers. What is it about free-market ideas that give them tenacious staying power in the face of such manifest failures as persistent unemployment, widening inequality, and the severe financial crises that have stressed Western economies over the past forty years? Fred Block and Margaret Somers extend the work of the great political economist Karl Polanyi to explain why these ideas have revived from ...

### The Power of Market Fundamentalism: Karl Polanyi's ...

The market fundamentalist world without power lived exclusively in the utopian ideology of social naturalism. Nor, moreover, was political power a onetime exercise in jump-starting a market economy, only to give way to the natural workings of the market once it was nicely humming away. The market was never and can never actually be disembedded.
