The Single Mothers Survival Guide

Single Mother Survival Guide gives me a practical perk-me-up on days when I need it most. I love the podcast interviews with real personalities most because it goes back to the core of who we all are - mothers who are trying their darnedest to make a life for their kids so that they don't have to recover from their childhood.

The Single Mom's Survival Guide | Parents

Single moms haven't had many books to turn to in times of distress. Most parenting guides either moralize to her or ignore her altogether. Patrice Karst has righted that wrong with The Single Mother's Survival Guide.The book is obviously designed to console--and fast--the poor mom who has once again dragged the baby into the bathroom with her because she literally cannot get a moment alone.
