Unit of Inquiry 3 – How the World Works | WILD ABOUT GRADE 1

Finally, I design debatable questions that can serve as initial provocations and then be revisited later in the unit of inquiry. For this unit, I introduce each of the debatable questions within the first two weeks and then come back to them at least a few weeks later to see how the unit’s learning experiences have affected the thinking of the children.

Planning an Upper Primary Unit of Inquiry - Planning and ...

Units of Inquiry. The PYP curriculum is developed around six organizing trans-disciplinary themes that provide the structure for the Units of Inquiry. These themes identify areas of shared experience that have meaning for individuals of different cultures.

Unit of Inquiry - my-pyp.com

This unit of inquiry was implemented with 2nd graders, with the objective of them understanding that matter exists in different forms and can be studied in different ways. Within their inquiry, the students wondered about solids, liquids and gases along with the properties for those states of matter.

UNIT OF INQUIRY | PORTALES 3RD GRADE BLOG

As we begin planning a unit of inquiry, it is important for us to be aware of the updated guidelines and resources for the Early Years. The IB’s Programme resource Centre is a great starting point for you to upskill yourselves. When designing the virtual unit on ‘Goods ...

Planning a Virtual Unit of Inquiry for the Early Years ...

Posts about Unit of Inquiry written by tbonclegg. When teachers are transitioning into the PYP-ways of collaboratively planning a Unit of Inquiry, it is not uncommon to receive requests to spend time “coming up with activities for the unit”.Such was true last week, when I received this request from our wonderful Grade 3 team.

Unit of Inquiry - Making Good Humans

On January 7th, fifth grade began their journey into our fourth unit of inquiry. This fourth unit involves two, important components. In addition to learning about civil wars, paying primary attention to the American Civil War, students have also begun personal projects for National History Day. While all the projects encompass some form of rights...

Unit of Inquiry | Grade 5

This unit of inquiry looks like for our PYP learners. Notice how the units of inquiry, while same from grade-to-grade, develop naturally, tackling greater issues requiring greater depth and breadth as our learners – and their knowledge – grow. As students advance, so too do the concepts explored in the unit.

Early Learning (ages 3 to 5) - Meadowridge School

How We Organize Ourselves - Weebly

Teaching, Learning and Reflecting in a Unit of Inquiry Class. I was welcomed into Mr. Zach’s Year 5 classroom. Their inquiry unit was How the World Works and they were enquiring into the central idea (CI) “Scientific understanding of material helps us meet our changing needs”. A bright young man named Archie had volunteered to show me some of the work they had been doing in this inquiry ...
